Report on General Medical Check-up Campaign

Activity	General Medical Check-up Campaign at Vejendla
Date	21.06.2017
Place	Vejendla
No. of participants	65
Academic Year	2017-18

The NSS unit of VLITS has organized free general medical camp at Vejendla village on 21.06.2017. In this campaign, more than 100 village people were examined. 65 NSS student volunteers actively involved in arranging the requirements at the camp location, guiding the village people and made the corresponding help in smooth functioning of the camp. Dr.K.Srinivasa Rao and team from Vignan's Lara Health centre provided their services in organizing health camp. Blood pressure, Sugar test, Body Mass index and other basic tests were conducted. It was observed many of them were malnutrition and suffering with skin diseases. They were given Ointments and tablets for skin diseases and diet to be taken to avoid malnutrition was suggested.
