Report on Usage of Plastics and its Harmful Effects

Activity	Awareness on Usage of Plastics and its Harmful Effects
Date	12.06.2018
Place	Vadlamudi
No of participants	50
Academic Year	2018-19

The NSS unit of VLITS, Vadlamudi organized an awareness program on use of plastic and its harmful effects at Vadlamudi on 12.06.2018. It is a first of its kind initiative by United Way India (Community Service Organization) to highlight the need for reducing plastic consumption and compel a healthier way of managing trash. In this program 50 students have participated along with faculty members to create awareness regarding Plog Run (Plastic Awareness Drive). The Principal, VLITS and NSS coordinator appreciated the volunteers for conducting such a social awareness program.
