In our college 134 students actively participated in Swachh Bharath Mission which was conducted in our college on 20.07.2019 with the help of NSS students. Swachh Bharat Mission (SBM), Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. It is a restructured version of the Nirmal Bharat Abhiyan launched in 2009 that failed to achieve its intended targets. The Principal Dr. K. Phaneendra Kumar and NSS coordinator appreciated the students who actively participated and made this program successfully.
