### Report on Face Mask Awareness program at Vejendla

Activity	Face Mask Awareness program at Vejendla
Date	10.03.2021
Place	Vejendla
No of participants	45
Academic Year	2020-21

The likelihood of the coronavirus entering our respiratory system through airborne droplets is claimed to be reduced by wearing a protective mask. People who live in densely populated regions are strongly advised to wear masks. Vignan's Lara Institute of Technology & Science, Vadlamudi: National Service Scheme Unit organized Awareness Program on Face Mask at Vejendla Village. In this program 45 students actively participated along with faculty members of the college to create awareness face mask.
