Report on Swachh Bharat program at Selapadu

Activity	Swachh Bharat at Selapadu
Date	14.10.2021
Place	Selapdu Vadlamudi
No of participants	107
Academic Year	2021-22

With the inspiration of the Swachh Bharat Mission initiated by the Government of India in 2014, to eliminate open defecation and improve solid waste management, VLITS has also launched a Swachh Bharat mission. As part of this Swachh Bharat mission, a campaign was organised at MPP School at selapadu on 14.10.2021. This is to create awareness among the student community regarding the cleanliness of the surroundings. The students actively participated in the program. Moreover, the school students also inspired from the VLITS students and participated in the program. Totally 107 number of students attended the event. The faculty and Principal appreciated the students for their active participation and bringing the awareness among the village people.
